

A Picture Show theme this month as we celebrate the Pre-show

Yes that wonderful moment when you are sitting in the cinema waiting to watch *The Rocky Horror Picture Show* and the fan cast surprise you with a performance to a song or two with a (sometimes very!) tenuous link to the movie.

And these are the less weird ones from over the years!

"The Swim" a Little Nell single has always been a favourite choice

And for the ultimate Master of Ceremonies who else but the legendary **Sal Piro**

Paul as Riff-Raff goes "Singin' in the Rain"

Not strictly a pre-show, but you should always have an Usherette for "Science Fiction - Double Feature"

"Once in A While"

As this song was dropped from the movie version it was a fun choice for those that hadn't seen the stage show.

"These Boots Were Made for Walking" - Well Batman Returns was the big film in the cinemas, so Stephanie in a Catwoman outfit singing the song to Eddie and Columbia made perfect sense at the time!

All images used in the fans calendar are submitted by Rocky Horror fans themselves - huge thanks to all that contributed - you know who you are!
